Beyond the Connection WHAT DOES IT REALLY MEAN?

As consumers we are bombarded with marketing messages of all kinds, some of the more popular recurring messages are "Now at a super low price" or "for a limited time only." While these messages are intended to catch your eye and move you to make an impulsive purchase, they are often short lived and are easily replaced with the next best deal.

We recognize that to operate a successful business it is necessary to fulfill the promise of honoring a commitment made to customers of not only fair prices but as importantly as, personal service. Park Region Telephone made that commitment to our customers back in 1906. Today we continue our commitment to the communities and people we serve.

At Park Region Telephone and Otter Tail Telcom we are here for you "Beyond the

Connection." While internet, voice, and video services are the retail services we provide through a physical cabled connection, the company also supports numerous area events and activities. As a local business, it's not uncommon to find our employees volunteering time, participating in community events and civic groups, and actively involved in other community organizations.

These are the very same people who provide you with personalized services either in

Our customer service team in our Underwood office.

person or on the phone and by doing so serve you "Beyond the Connection."

Summer Parades

We have had a busy summer traveling to area parades. We started our summer celebrating Summerfest in Fergus Falls, then we headed over to Erhard for their 4th of July celebration, next we made our way to Rothsay for Prairie Days, and then we headed to Ashby for Appreciation Days.

If you have missed these community events, don't worry, we are not done yet! In August we will visit Vining to celebrate Watermelon Day, then travel back to Underwood for Harvest Festival in September, and from there we will travel down Highway 35 to Dalton for the Lake Region Pioneer Steam Thresher's Reunion. We hope to see you this summer!

Follow the Little Red Truck

Our Little Red Truck has been busy driving through our service area checking it out. Follow the Little Red Truck on our Facebook page to see our exchanges. Each stop of the truck highlights our beautiful region, a local business, local events, and so much more! Don't miss out on the adventure, like us on Facebook today.

Farewell, Carol!

After 5 years of service, Vining Board Member Carol Green-Kiemle resigned from Park Region Telephone's Board on April 30th.

Carol shared, "Park Region has an exemplary board and I have been honored to be a part of what makes this a great telco. I only see great things coming due to the great people who make up Park Region Telephone. It has been my pleasure to serve and grow from my experience."

We appreciate Carol's many contributions to the Board and to the Cooperative. She has been a valuable presence on the board since she joined us in 2013 and will be missed.

Welcome, Joyce!

Park Region Telephone is pleased to announce the appointment of Joyce Herbranson of Vining to the Board of Directors. Joyce will be completing the

term for Carol Green-Kiemle who has moved out of the service area.

Joyce has served on the Battle Lake School Board, Battle Lake Alliance Church Board, and the Fergus Falls

College Foundation Board and for the last 3 years has focused her time and energy into the Battle Lake Child Care Center Board and Capital Campaign Project. Having been a member of the cooperative since 1982, she is looking forward to serving on the Park Region Board. Joyce has appreciated the great service they have enjoyed from Park Region through the years and she looks forward to learning more about the future business endeavors of Park Region.

Joyce and her husband, Ken, live near Vining where they operate a dairy farm and custom drapery business out of their home.

Welcome to the Team

Melinda Fults joined our team in May and works as an Accountant in our Underwood Office. She has worked as a Paralegal/Accountant/Office Manager the last 8 years for Karkela, Hunt & Cheshire, PLLP, in their Fergus Falls Office.

Melinda and her husband Gary have one daughter, Mariah. The family is involved in the Fergus 4-H Club. Melinda is a volunteer for the Fergus

Falls Skating Club. She is also active in her church, on the Stewardship Committee and Endowment Committee.

Welcome to the team Melinda!

Keep Us in the Loop

Moving? Keep your address updated with us even after you've left our service. This helps us notify you of any changes to your capital credit account.
